

READING ROADRUNNERS NEWSLETTER MAY 2017

It was a toss-up for the front cover between this lot and John Bailey's photographic study of a bunch of angry cows that wandered into the Shinfield Junior Races this year. However, we will leave John's effort to the Countryfile 2018 calendar and try and concentrate on the running for once.

Some absolutely sterling performances at London this year right throughout the field, matched only by Colin and the Shinfield team's efforts in putting on another very successful Bank Holiday Monday 10K.

This month sees a Thames River Cruise as well as some high profile racing, including the London 10K - and that's before we get to the Pub Runs and the Vets League Athletics...

INSIDE THIS MONTH:

- · SID IS 88!
- SOCIAL NEWS
- · HARRISON VS KIPCHOGE

When I'm not converting grass into methane via my four-compartment ruminant digestive system, or getting lamped across the backside with a 'CAUTION RUNNERS' sign by Sarah Drew, there's nothing I enjoy more than watching a spot of bipedal running action.

There are more links between distance running and bovine agriculture than you might think; Joss Naylor celebrated his record-breaking 1974 Pennine Way run by returning to his farm and milking his herd, and who

can forget the year the Reading Half Marathon itself fell prey to the foot-and-mouth epidemic? Actually the less said about the second one, the better.

Anyway, there seems to have been some sort of bank holiday event around these parts for a few decades now and wasn't the most recent one an absolute belter? Adults and little ones alike all getting out in the fresh air and enjoying themselves - pats on the back all round, if you'll pardon the pun. Moooooo!

Chairman Chat CARL WOFFINGTON

The new RR website is now up and running. Paul had been building it alongside our old site for some time. The new site was switched over just after the previous newsletter was published. Thanks to Paul for the work done, the new site is excellent.

We've had two RR Championship races in the last month. The Maidenhead 10 and the Marlow 5. The Maidenhead with our PM doing her usual job as a marshal. The Marlow was much cooler than last year.

We have had three social events in the last month. The Spring Do featuring the XC Awards presentation. A new venue, new disco and new food arrangements. The Quiz Night. Foot Golf. Thanks to Hannah and helpers. Thanks to Catherine and Shane for the Quiz Night.

We have had two Vets League matches. Oxford and Abingdon.

The London Marathon took place. We had quite a few runners and supplied our usual two marshal teams. Thanks to the marshals. The new coach arrangements seemed to work well.

Last but not least, we staged our own Shinfield 10k. It was touch and go whether or not this would take place due to the house building work in the area. Colin and team monitored the situation and took the decision to go ahead quite late on. This resulted in a new course. There was also a new area for the children's races. All went well. Well done to Colin, Tom and all the helpers.

Coming up in the next month we have:-

- Mon 29th May London 10k, RR teams and marshals.
- Thu 1st Jun 2nd 2017 pub run, The Butchers Arms at Sonning Common
- Sun 4th Jun Chiltern Chase, RR Champs
- Mon 5th Jun Vets League at Bracknell, joint RR & RAC event
- Thu 15th Jun 3rd 2017 pub run, The 3 Horseshoes at Henley
- Sat 17th Jun Boat Trip, tickets now on sale
- Sun 18th Jun Ridgeway Relay

Ladies' Captain - Report

SAM WHALLEY

What a busy month it has been! In the Whalley household, we are fully booked for races, and anyone expecting to see us in anything other than running kit, on a Sunday at least, will be disappointed.

The last report ended with only a brief reference to the Brighton Marathon Weekend, partly because their results website is so frustrating to navigate, and partly because I was unable to type through my tears. Lucy Bolton made the sensible choice of the day in running the 10k before the sun came out. Congratulations must go to Vroni Royle, who managed to achieve a PB in what felt like unbearable heat. It was a lovely day for ice-cream, and I was quite pleased with my tan, so it wasn't all bad. The Fullers Towpath 10 might have been more pleasant – good move, Sev.

Good Friday saw the Maidenhead Easter 10 take place, and there were PBs for Sev Konieczny, Sarah Walters and Helen Dixon. This was the first of the 10-mile races in this year's Club Championship, and Nikki Gray, Erica Key, Mary Janssen, Jane Davies, Tina Woffington and Cecilia Csemiczky took the top spots in their age categories. The ladies' team prize for the race overall was won by Nikki, Erica and Jane, who all crossed the line in under 1 hr 11, or, as I believe it is called when you are that quick, 71 minutes. This race is also part of the Berkshire Road Running Championship, and Nikki, Helen Pool, Mary and Lesley Whiley all came away with gold medals, while Caroline Jackson bagged herself a silver. The next race in this championship will be the Wargrave 10k on 11th June, so don't forget to check the criteria for entry on the Berkshire Athletics website.

A huge event in our calendar has to be the London Marathon. If you are ever fortunate/rich/fast enough to gain a place, you must do it. Significant achievements were Carrie Hoskins winning her age category with an amazing PB time of 2:57, and to Catherine Douglas, who knocked a whopping 20 minutes off of her previous marathon PB, all due, apparently, to her running buddy and marathon debutante (according to power of 10, at least), Lin Morton. I suspect many miles and hours of training might have also had

something to do with it. I believe there were also PBs for Kristin Brandl, Loretta Briggs, Erica Key and Julie Rainbow, while Jenny Mulhearn tackled the distance for the first time.

Some preferred the lower key events of the day, with Sally Carpenter running the Southampton half marathon, Julia Molyneux the full, and Caroline Jackson facing the heat of the Madrid Rock 'n' Roll version. Jacqueline Smith was 3rd female in the Earley Urban X 10k. Had I known about the Aldbury XC 5.3 (sounds the right kind of distance for an XC race), I might have joined Charlie Macklin, Trisha Arnold and Sev for it, rather than playing marathon bingo in London. Maybe next year.

A week later, Jenny Mulhearn was back in action in the Düsseldorf marathon; fortunately for her feet, this time it was a leg of the relay with Juliet Fenwick and a couple of non-club males. Meanwhile, Helen Pool and Nicole Rickett had been duped into believing that the Bergen half marathon would be flat, rather than undulating and, in places, cobbled; this didn't stop Helen achieving a PB, however, and Nicole was close to hers. A few of you took on the Danesfield Dash 10k; I opted for an 8 (more like 9) mile coastal race in North Devon, and, given the torrential rain, was pleased to not have entered the 18 mile option, even if it did promise prosecco stations. A nice cup of tea wouldn't have gone amiss.

The Shinfield 10k was, as usual, a popular event. Mary Janssen was the first lady home for the club, followed by Lesley Whiley and Liz Jones. There were PBs for Fiona Ross, Sarah Walters, Helen Dixon and Rachel Allaway. The same day also saw Caroline Jackson and Amanda Rosser in the Milton Keynes marathon, with Trisha Arnold in the half.

After a little afternoon snooze on that Bank Holiday Monday (that might have just been me), a number of us headed to Oxford for the first of this year's vets league matches. The vets league is for athletes aged 35 and over, and is a good opportunity to dust

off your throwing, jumping and sprinting skills, pitch yourself against others of your age, and get yourself some distances and times on power of 10. The ladies' team came 6th, out of 6 (!), with some impressive performances from Adele Graham, fresh from a boat in St Lucia, and coming 2nd in the hammer and 3rd in javelin, Helen coming 5th A and Nicole 2nd B, in the 1500m, having just got off a plane from Norway, and Jane Davies 2nd and 3rd in the 1500m and 400m respectively.

Sunday 7th May is one of the busiest days in the racing calendar, with there always being a decision to be made between the Marlow 5, Woodley 10k, and Bracknell half marathon. The former was the second of the 5 mile races in the Club Championship, and Helen Pool, Mary Janssen, Jane Davies and Tina Woffington were the first home in their age categories. Helen was also first V40 female, and Hannah McPhee achieved her goal of a sub 1 hour finish. "My aim is to keep improving," said a triumphant Hannah, and I think this is a very positive attitude to have. There was another PB for Sev, who is really on a roll this year.

Over at the Woodley 10k, Carrie Hoskins was storming to 2nd place and setting a V40 course record with a PB, while Katie Williams and Jane Copland Pavlovich also finished in the top five females. We were all grateful for a cooler day than the tropics of last year, and this might have helped Sophie Hoskins and Laura Chandler towards their PBs too. I am not aware of any PBs in the Bracknell half marathon, but well done to those who completed it.

Not even a week later, many of you were in action again at the first race in the Finch Coasters Woodland 5 series, and somebody had forgotten to tell Anna Richmond about the hills. These trail races are exactly why people should not shy away from XC in the winter – it is excellent preparation for the spring and summer season. There is still time to enter the remaining races – on 14th June and 19th July.

The first race in the Dinton 5k/10k series was also popular, with Catherine Leather taking away the V40 prize in the 10k. The remaining races in this series will be held on 8th June, 14th July and 10th August. The Bracknell Forest Runners' event, the Forest Five, will take place on 21st June, so there is absolutely no excuse for not getting your trail run fix this summer.

And so it goes on. Races, races and more races. Last weekend saw Liz Atkinson winning the V60 prize in the Park House 10k Fun Run, while others used the Henley trail half marathon as more training for the Snowdonia trail half marathon in July.

I will finish with the second of the vets league fixtures, which took place on Monday 15th May, again in Oxford. Adele excelled once again, this time achieving 3rd in the triple jump; Jane was 1st in the 3000m, while I found myself entertained by the 2000m race walk, and especially the warming up which preceded it, where it just looked like a lot of people wiggling themselves randomly around the stadium. Despite some YouTube research, I wasn't brave enough to try it, and applaud Gill Gillard and Cecilia for taking this on, and both coming 3rd, even if Gill did get shown a warning paddle (naughty!). Cecilia had not long returned from the Riga half marathon the day before - that's dedication. Once everyone was properly tired, it was time for the 4x400m relay, with Jane, Gill, myself and Nicole getting that baton around the track. While most of us will not be in danger of breaking any records at these fixtures, I have to admit, it was actually quite fun to leave our comfort zones well and truly behind us, and just go for it.

The next vets league match will be at Bracknell on Monday 5th June, at 6.30. We Will be joint-hosts of this fixture with Reading AC, and need to provide helpers, so please get in touch if you could volunteer for all or part of the evening.

The next race in the Club Championship will be the Chiltern Chase, on Sunday 4th June. This will be your first opportunity to get some 10k points in early; the remaining 10k races are not until October. The New Forest 10 (mile) will be on Sunday 9th July, and the Down Tow, Up Flow half marathon on Sunday 23rd July. These are all multi-terrain races.

Men's Captain - Report

WOW!! What a month it has been for the Men in the Reading Roadrunners team. All the dedication and commitment to training through the winter months pays off with some colossal performances as the Spring season reaches its peak. The common theme for this month is undoubtedly 'reward through hard work'. The short version of the month in numbers reads; 237, 56, 36, 23, 37, 4, 19, 49,1, 6.

And here's what the numbers mean:

237 – The number of Kilometers Donald Scott-Collett ran across the Sahara Desert in 50 degree heat for the iconic 'toughest footrace on earth' – The Marathon Des Sables.

If you've been following Donald's journey on social media over the last year you will know just how hard he worked to be ready for the start line. The 100km Race to the Stones, 84 mile Druids challenge and 66 mile Pilgrims challenge were just some of the massive standalone challenges which he completed as part of his training for the MdS. Here's what Donald had to say about his phenomenal achievement, "It was a long journey to get to the start and no amount of preparation could get me ready for the awesome adventure that MdS was. It is an experience that I will remember forever and heartedly recommend as the pinnacle of anyone's running career. The friends you make and the sights you see will stay with me forever. Companionship is created with a common goal". Donald finished the MdS in a total time of 47hours, 28minutes and 39 seconds. Superb!

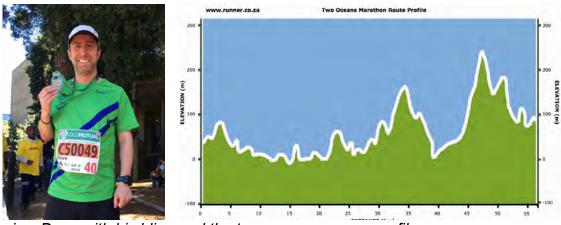

pics: Donald tops up his tan on the final day before showing off his bling.

56 – The distance in kilometers of the Two Oceans Ultra Marathon

A new chapter in 'The Worldwide Adventures of Dave Wood' was written over the Easter Weekend. The last sighting had seen Dave complete a marathon and a half in the Arctic Tundra. This time he was back on familiar territory; with the Comrades back-to-back medal safely on his medal hanger he returned to South Africa for the Two Oceans Ultra Marathon. The event takes place around the Cape Peninsula with a strict 7 hour cut-off time. Hard work and experience meant Dave completed the race in 6hrours 25mins. It's also becoming obvious that Dave has a love of hills. Here he is proudly wearing the Green Vest and showing off his new bling.

pics: Dave with his bling and the two oceans course profile.

- **36** The number of new Men who have joined Reading Roadrunners this year. With any organization, whether in the workplace or a sporting club there will be leavers and joiners. For the club Alumni we wish them well, and we warmly welcome the 36 new Men to the team and look forward to their participation in our upcoming events.
- 23 This was the date in April of the London Marathon and what a great day it was for both marshals and runners as we all did our club proud. The marshal team at mile 23 was energetic throughout the race and we all had fun. During the race there were some truly epic performances. We witnessed huge PBs for Jamie Cole and the evergreen Tony Streams. Lance Nortcliff ran 2:38, a PB by almost 25minutes at any level that's amazing but at sub 3, that's inspirational. While many of us are in the bar after track drinking beer, Lance can be spotted drinking his protein shakes; it's the hard work and dedication that has enabled him to run a fast time. Similarly Ben Whalley, who is now reaping the rewards of four years of dedicated training and hard work. The images below show Ben at parkrun in early 2013 and on his way to another race v40 victory in May 2017. Ben ran a new Marathon PB at London in a time of 2:44. Almost as impressive as his time were his splits with each 5k of the marathon being almost identical in time inspirational running and a journey we can all learn from and aspire to.

pics: Ben Whalley at parkrun in 2013 and on his way to another v40 trophy in May 2017

37 – The number of Men we had at the Maidenhead 10 mile race, our first of the Club Championship season at this distance. There were individual prizes for Mark Worringham, Alan Freer and Tom Harrison. Well done to that trio and thanks to those who came to support the team. Apart from running the thing we do best is socialise. There was a real team feel afterwards in the pub as we celebrated our achievements and shared stories of our race over a drink or two.

pic: Reading Roadrunners celebrate after the Maidenhead 10.

4 – The place our team finished in the 1st Vets Track and Field Event. We are a road running club, so finishing above recognised athletics clubs was a good achievement. For many it was a step outside their comfort zone to throw, jump and run on the track. Each team member contributed to our overall score. Many thanks and well done to; lan Giggs, Clive Bate, Duncan Mollison, Nigel Hoult, Mark Worringham, Brian Grieves, Pete Jewell and David Fiddes.

19 - Men who in perfect conditions ran the Marlow 5, which was the second of our Club Championship events at the distance. There was an individual category prize for Ben Paviour who finished 7th overall in a time of 27:25. Strong performances from Dave Brown, Dan Brock, Chris Manton, Brian Kersopp, Keith Ellis, Kevin Jones, David Dibben, Andy Atkinson, Frank Cooper and Tom Harrison saw them all either consolidate their place or lift themselves into the top 3 of their respective age category in the Club Championship.

pics: left to right, Carl Woffington, Chris Manton and Tom Harrison in action at Marlow 5.

- **49** Medals which were handed out to Reading Roadrunners men who finished the Shinfield 10K. Another successful event, with a carnival atmosphere delivered by Fergal, Colin and team was the highest attended event of the month. There were PBs for Paul Kerr, Dan Brock and Neil Carpenter.
- 1 Congratulations to Duncan Mollison who became Berkshire County Champion for the 800m running a very impressive 2mins 00secs. That's 15 seconds per 100m, 8 times in a row! Duncan made a decision to focus on the track events, and his hard work is rightly being rewarded.

6 - The number of years Mark Worringham has worked hard for, to be in a position to win Woodley 10K. This is the one he wanted and he delivered in style. Massive congratulations and respect for his victory on home soil in a time of 32:38. The winter training has also clearly paid off for many members of the team as there were also PBs for Ben Whalley, Brendan Morris, Fergal Donnelly, Richard Smith, Daniel Rickett and Neil Carpenter. The latter was a story of true club camaraderie; finding it tough at 7km Neil was encouraged to for the final 3km to the finish by Vince Williams and a bromance was born!

pics: left, Mark on his way to victory at the Woodley 10K and right, Vince and Neil begin their bromance.

Runners on the Road

The Green Vest has once again been on its travels. Andy Atkinson and Dave McCoy were in Boston (USA) for the marathon, David Caswell ran the Ibiza Marathon, while Paul Monaghan and Martin Bush rocked their way around the Madrid Marathon. Ashley Middlewick was on his travels, this time to Norway for the Bergen half marathon. Winner of the best race goodie bag goes to the inaugural Loire Valley Marathon ran by Colin Byers. Here Colin shares his race experiences:

"I joined 4600 runners for the inaugural Marathon de la Loire on 16th April, neatly in between spring's Brighton and London weekends. Starting and finishing in the picturesque, riverside town of Saumur (3 hours south west of Paris) with it's imposing chateau overlooking the town, this first running of the Marathon de la Loire was a perfect opportunity for me following the expected London ballot failure, after my first trip to Saumur aged 6 and now having a house 10 kilometres away.

The event was a huge success, running a short distance around the town, before 11 miles on the south side of the River Loire, over the next bridge upstream and 11 miles back to town - 4 more kilometres to run having been within 50 metres sight of the finish line were hard at the end. Well supported in the 3 or 4 villages we passed through, the event was relaxed and easy for runners and supporters alike, with my support team able to get to 5 points on the route to cheer. Having also run 2016's Paris Marathon, refreshment stations in French events seem better than UK, with oranges, bananas, sultanas, sugar lumps and water available every 5k. Sponge stations were welcome too in half a dozen spots on a warm spring morning.

For me, the event was a huge success, with a new 11 minute marathon PB of 4:19 - and the best goodie bag I've seen, with a hoodie, finisher photo - and best of all a bottle of Cremante for every finisher (Champagne without the name as it's not in that region).

The event included the Marathon, a Marathon relay, a 10k and perhaps most interesting a half marathon kayak and half run - all run concurrently on the same morning - and they are planning to run it again in 2018, although the date is yet to be confirmed."

This report covers only some of the highlights from a busy month. There were many more runs across all distances with a full set of races, times, and positions to be viewed at your leisure in the results section at the back of the newsletter.

Upcoming Events:

- 29 May London 10,000m/British Championships. Our men's team is: Rob Corney, Chris Lucas, David McCoy, Lance Nortcliff, Matthew Richards, Ben Whalley. I was asked to select a team for this race and have done so in the following way; The six places were awarded to the club having participated in a Southern Counties Road Relay in 2016. I therefore gave first refusal to the 6 runners who earned our club place via this relay. After reviewing and analysing performances over the last three months, I selected the fastest runners available for the remaining places
- 4 June Club Championship Event, Chiltern Chase 10K.
- 17 June Club Social: Boat, BBQ and Music, see Hannah for tickets.

And finally.....

.....Pete Morris makes a valiant attempt to take Mo Farah's crown as Great Britain's top runner.....

Thanks for reading, next month we'll catch up with one member who will have completed 3 parkruns in 3 weeks in 3 countries across the world.

JENNY GALE

Wow! So last month being my first in charge of this section of the newsletter I was very diligent and updated it every weekend to ensure I was on top of things. This month, however, I decided to take a more lacksidaisical approach to things – man was that a rooky error! You guys run an amazing amount of races week in week out and I am in awe of all of you! I travelled to Leeds last June to do a triathlon and thought that was quite a long drive but the distances you all travel for races is incredible. In fact, I think that we should start an RR races World Map where we put pins in where any of us race – it would be covered before too long I'm fairly sure of it!

Joking aside, we have this month also had our own Shinfield 10k, the local-to-all Woodley 10k, Bracknell Half, Maidenhead Easter 10, Earley Urban 10k – loads of local races for the more local people amongst us to enjoy. Well done all, and happy running for May/June!

MINUTES OF THE PREVIOUS MEETING

The minutes of the previous meeting were proposed as a true record by Anne, seconded by Andy.

MATTERS ARISING FROM THE MINUTES OF THE PREVIOUS MEETING

Desk Transactions Simon Davis presented his proposal to introduce Point of Sale technology on the desk at track sessions. The main benefits of this initiative would be to:

- reduce cash transactions
- · allow members to pay by card
- provide accurate reporting

There are start-up and operating costs to consider, but the Committee agreed that there would be nett benefit to Club governance, kit management and to members' convenience.

It was agreed that we would mount a trial applied to purchases of Club kit, and approved that Simon should procure the IT needed to implement this limited trial.

Action: Simon to initiate and manage the trial and report back to the Committee on its effectiveness and take-up.

Track announcements Simon Davis presented his views on how to improve the effectiveness of announcements at the track, and asked Committee members to provide feedback in time for the next meeting.

TREASURER'S REPORT

Sandy reported that she has received promised sponsorship cheques for the Shinfield 10K and a cheque from Caversham Primary School for the hire of a clock.

GENERAL SECRETARY'S REPORT

Clock hire Bob questioned why we hire out our race clocks, which led to a lively debate of the pros and cons of continuing to do so. Whilst it used to be the odd fun run that wanted to hire a clock, it is becoming increasingly frequent and now includes professional race organisations.

The Committee was divided on whether we should continue to hire our race clocks, with the majority in favour of discontinuing this service. We will honour all current commitments, but will refuse any further hire requests.

Action: Bob to write to regular hirers to advise them of this decision.

BARR AGM & conference Bob noted that the BARR (British Association of Road Races) AGM will be held on 20May17 in Birmingham. BARR is also organising a "Race Conference" on 20Sep17 at Crystal Palace intended to bring together race directors and supporting bodies.

Committee election voting scheme Revised Club Constitution and Rules were adopted in principle at the March AGM, but there was some dissent expressed at the meeting regarding the provision that no vote would be taken if there were no more candidates than available Committee places. Some members wanted to be able to vote against a candidate that they felt is unsuitable to act as a Committee member rather than have them elected by default.

Following some effort, the Committee has failed to identify any means of conducting a fair ballot on this basis and has concluded that no further changes to the voting system will be made unless and until someone can articulate a voting scheme that the Committee is prepared to support as fair and equitable and adequately addressing this concern.

Recognising members' concerns that candidates can be elected by default, a list of candidates will be published before the closing date for entries so that members have time to put themselves forward as candidates to ensure that an election has to take place.

MEMBERSHIP SECRETARY'S REPORT

Anne reported that 15 new members joined and three members made late renewals during April, bringing the total membership to 473.

SOCIAL SECRETARY'S REPORT

Dinner dance Hannah noted that several members have said to her that they feel the dinner dance has become somewhat stale and is in need of a refresh. Hannah is looking into alternative venues and formats for consideration.

Boat trip The boat trip scheduled for 17Jun17 has been booked, along with a DJ. It will run 19:30-22:30; the ticket price will be £27, which is subsidised by the Club as a 30th Anniversary event.

Organised run As a further subsidised celebration of the anniversary, Belinda & Graham Tull will organise a run from the green at South Stoke on 15Jul17.

COACHING REPORT

Simon Davis reported that the Club will soon have the benefit of three additional coaches: Dave Caswell has transferred his coaching qualification from RAC to the Club, whilst Nicole Rickett and Pete Higgs are both due to complete their training.

ANY OTHER BUSINESS

Catering Sandy noted that we have only one member who is known to be certified to manage catering. Whilst Sandy has established that there is no legal requirement for us as a non-profit making club to have certified personnel at, for instance, our races, there seems to be an expectation in some quarters that we do.

It was agreed that Sandy should look into what is involved in obtaining Catering CPD (Continuing Professional Development) certification, after which we will seek to recruit volunteers.

Mortimer 10K & 3K Bob presented the budget for this year's Mortimer 10K & 3K, which will be held on 24Sep17. The budget was unanimously approved.

Online membership service Bob reported that he had started to prototype an online membership service using the WebCollect system. If this turns out successfully, it will allow new joiners to sign up online, members to renew online, maintain their own profiles and make bookings for Club events online.

Service requests Both the Chairman and General Secretary are inundated with offers of services that we are urged to promote to members, which we do not do.

Notwithstanding the policy of not endorsing such offers, Carl has received two requests that the Committee has agreed will be allowed to go ahead, though with the caveat that the Club does not promote or endorse either service:

One of our coaches, Alexa Briggs, has qualified in

- Sports Massage Therapy and will advertise her services on the noticeboard and on Facebook.
- Another qualified Sports Massage Therapist, who
 is in the final stages of qualifying in acupuncture,
 will attend track sessions for a period of about
 three weeks to offer acupuncture sessions free
 of charge in return for permission to write up the
 treatments as case studies as part of her course.

Charity account The Committee approved by email that the cheque signatories for the Charity account should be changed to be Anne as mandatory signatory, to be counter-signed by one of Carl or Jim Kiddie.

Championship & XC trophies Carl reported that he has advised all winners of trophies from the 2016 Club Championships and the TVXC League by email that they can collect their trophies from Palmer Park.

Timed 5K track sessions Tony Canning has invited Bracknell Forest Runners to join the timed 5K track sessions.

KIPCHOGE - KENYA

Eliud Kipchoge of Kenya, 32, the reigning Olympic marathon champion, covered 26.2 miles in 2 hours 25 seconds early on Saturday in an extremely managed setting of pacing and drafting on a Formula One racecourse in Monza, Italy, outside Milan.

It was the fastest marathon ever run, more than two and a half minutes quicker than the official world record, 2:02:57, set by Dennis Kimetto of Kenya at the 2014 Berlin Marathon. But Kipchoge's time will not be ratified for record purposes, mainly because of rules regarding pace-setting.

The attempt, called Breaking2, was as much a Nike marketing play and a laboratory experiment as a sports competition. Even so, Kipchoge shaved a remarkable amount of time off his best official finish: 2:03:05 at the 2016 London Marathon.
